CAREER PROFILE

Versatile hospitality and travel professional with five-plus years of experience across front desk, concierge, dining, and airport passenger service roles. I've built a career on making people feel taken care of — whether that's checking in a hotel guest, guiding a passenger through TSA screening, or keeping a team running smoothly during a busy shift. Skilled in guest relations, check-in and boarding procedures, travel document verification, and reservation systems (Sabre, Opera, StayNTouch), with a genuine passion for travel and tourism that goes beyond the job description. A hospitality degree earned with honors, hands-on airline experience, and a flexible, people-first mindset make me a strong fit for roles across airlines, travel agencies, and hospitality where dependable, engaging service is the priority.
